

## DIRECTIONS TO PICA DESIGN IN BELFAST, MAINE

### Driving from the South

Head north on Interstate 95 from Boston. In Maine, I-95 becomes the Maine Turnpike. Stay on the Maine Turnpike to exit 30 in Augusta (about 2 hours from the border of New Hampshire). In Augusta follow signs to route 3 east to Belfast (48 miles). When you arrive in Belfast you will travel down a steep hill as you approach downtown. Take a right at the five point intersection (the post office is on the right). We are in the Belfast Opera House, which is now the first building on your left. Enter through the front doors (under the Opera House sign), we are on the third floor, first door on the left.

### Driving from the North

From Bangor take Route 1A south. Route 1A ends at coastal US Route 1 in Stockton Springs. Travel south on Route 1 until you reach Belfast (About 10 miles). Take the 2nd off ramp (Route 3). At the bottom of the ramp take a left heading towards Downtown Belfast. After you reach the bottom of the hill take a right at the five point intersection (the post office is on the right). We are in the Belfast Opera House, which is now the first building on your left. Enter through the front doors (under the Opera House sign), we are on the third floor, first door on the left.
